

Welcome to the 5th local Swedish BBRT Meeting

19 November 2018 Gothenburg, Sweden,

Location: Volvo Cars – Volvohallen, Gunnar Engellaus väg 2, Göteborg

About Beyond Budgeting Round Table

The BBRT is an independent, international research and shared learning network of member organizations with a common interest in transforming their management models to enable sustained, superior performance. Beyond Budgeting Institute (BBI) is the name of the international organization. BBI works through a network of Beyond Budgeting Partners. Since 2013 Ekan Management is the local representative for BBI in Sweden. In this role we will offer Swedish BBRT members the opportunity to attend local meetings.

About the meeting

The main objective of BBRT Meetings is to help member organizations learn from worldwide best practice and to share information and implementation experiences. For this local meeting we welcome non-members to participate free of charge as a possibility to get to know the network and the Beyond Budgeting ideas, principles and learnings from member organizations.
